Decoration options include:

1. You are welcome to bring in your own decorations (please no glitter or confetti as these items can get into our equipment and become extremely problematic and costly for us in repairs).
2. Hire us to decorate!
In studio balloons and special touches to surprise the birthday boy or girl
3. In studio and patio space décor: theme it up if you like or let us design for you includes balloons, cups, plates, napkins and other assorted space decorations for this festive birthday occasion .

Pricing as noted within this package does not include GST. Project prices are subject to change due to material cost and additional features that may be requested. If you desire a different project please let us know as the possibilities in glass are endless. We can definitely explore a creative design to meet your request. The example projects within this booklet range from 1.5 hours to 4 hours. Each person creates at their own pace, some taking longer than others. As a party group, they must all create from the same base project style; being as each project requires different prep, materials and instruction.
