# WHAT WE DO

## CLASSES

We offer professional and accredited education in beginner to advanced classes in stained glass, kiln formation, glass casting, torch/lampworking, mosaics and glassblowing.

## WORKSHOPS

We regularly hold special glass workshops such as date nights, ladies nights, glass passion, weekend workshops and holiday stay & play events.

## CUSTOM WORK

We design awards, large scale windows, doors, custom tile, back splashes and counter tops to items large or small for your home, office or commercial business.

## SCHOOLS & SPECIAL EVENTS

Our studio is available for school group field trips, home schooling, tours, special events such as birthday parties, team building, corporate events, and more!

## MEMORIAL KEEPSAKES & SERVICES

We create one-of-a-kind, glass keepsakes with the option of memorial ashes. We also host memorial services for loved ones to be included in the glass blowing process.

## RETAIL

Enjoy a gallery-style shopping experience while being immersed in where it all happens! Everything is made right here from customs to gifts and home decor. All items and glass supplies are available online and in studio.

## MEMBERSHIPS

We have membership options available for those who require space and equipment to continue creating glass art.
